

WICKED TINKERS STAGE REQUIREMENTS 2022

- Preferable minimum stage size: 24 feet wide by 16 feet deep. (Exceptions per contract)
- **SHADE FOR STAGE REQUIRED!** if an outside performance! (Exceptions per contract)
- Please have bottled water available for all stage performances!

HOUSE SYSTEM REQUIREMENTS – MONO MAIN INPUT, 3 POWER DROPS, SPEAKERS

- **Speakers:** Apicable to venue size. We can work with just about anything: 3-way or 4-way (subs would be great)
- **Monitors:** **NONE:** We use our own in-ear monitors - 4 wireless systems - We pre-mix them.
NOTE: We do not need floor monitors and prefer them be removed when we play!
- **Vocal Microphones:** All vocal have mics supplied by Wicked Tinkers!
- **MIC STANDS:** 4 full size and one Medium Stand - Mic stands to have booms.
- **Instrument Microphones:** All Instruments have mics supplied by Wicked Tinkers!
NOTE: We have 9 Wireless microphones and we hard-wire 2 drum microphones to our board
